| 1. | Title and description of health and human service(s):

In 2005, Act 168 amended Chapter 321-15.9 Hawaii Revised Statutes (H.R.S.) to allow the Department of Health (DOH) "to enter into contracts for additional payments to providers of developmental disabilities domiciliary homes." The Legislature has appropriated a total of \$1.8 million annually to the Developmental Disabilities Division (DDD) for developmental disabilities/mental retardation (DD/MR) residential subsidies (e.g. apartment complex and Developmental Disabilities Domiciliary Homes).

There continues to be 70 individuals with DD/MR living in DD Dom Homes operated by five agencies. These individuals are unable to live independently and require 24-hour supervision. The DD Dom Homes are licensed by the Office of Health Care Assurance under Chapter 89, Hawaii Administrative Rules (H.A.R.) which requires that continuous 24-hour supervision be provided for individuals with DD/MR. | |

NOTICE OF AND REQUEST FOR
EXEMPTION FROM CHAPTER 103F, HRS

6. Describe how procurement by competitive means is either not practicable or not advantageous to the State: There is a "Free choice of providers" provision under Title 42, Chapter IV, Section 431.51., Code of Federal Regulations (C.F.R.), that provides for "recipients to obtain services from any qualified Medicaid provider that undertakes to provide services to them". The services in agency operated DD Dom Homes are funded by Medicaid Waiver services and individuals must be provided a choice to live in any of the homes that meet state licensure requirements. As a result, the DOH must contract with all licensed DD Dom Home agencies (5) to insure that the freedom of choice provision is met so it is not feasible to procure this service. The Office of Health Care Assurance under the DOH insures that all licensed homes meet the requirements of Chapter 89, H.A.R. In addition to conflicting with the "Free choice of providers" provision in the C.F.R. for Medicaid services, the procurement process poses a conflict for guardians of persons with developmental disabilities. Guardians of the person are court appointed and decide where a person will live rather than the DOH. Such decisions are affected by the location of the home, confidence in caregiver ability, other clients in the home, first impressions etc. A procurement process that restricts choice among the 5 DD Dom Homes would compromise the duties of the legal guardian. The 5 DD Dom Home agencies are regarded as meeting minimum standards as evidenced by licensure from the Office of Health Care Assurance.	
7. Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable: All currently licensed DD Dom Home agencies will be eligible for an additional payment and the DOH will notify all agencies of the availability of the subsidy. The DOH case manager will monitor the needs of the individuals and the provision of Medicaid Waiver services provided in the homes and the Office of Health Care Assurance of the DOH will assure certification and licensure requirements of the homes are maintained.	
8. Describe the state agency's internal controls and approval requirements for the exempted procurement: Case Management and Information Services Branch (CMISB) Branch Chief – Oversee health and safety of individuals residing in DD Dom Homes. Office of Health Care Assurance – Oversee compliance with licensure requirements by DD Dom Home agencies. Contracts Supervisor – Conduct cost analysis and determine rate structure.	
9. List the state agency personnel, by position title, who will be involved in the approval process and administration of the contract: Kimberly Arakaki, Chief, CMISB Christie Ferreira, Public Health Administrative Officer, DDD Jean Luka, Supervisor, CRDS	
10. Direct questions to (name & position):	Kimberly Arakaki, Chief, CMISB
